Programming Zone:

MARKET

The open air pavilions provide covered parking.

During weekends, seasonal events or festivals, the open air pavilions serve as market and vendor stalls.

Programming Zone:

ARRIVE

The existing fountain serves as a welcoming feature to the park, anchoring the promenade leading to the Old Town Hall Terrace.

Programming Zone:

FLEX

The open air pavilions provide covered parking during non-event times in the park.

During special events, the open air pavilions accommodate vendors and other market-related activities.

Programming Zone:

VIEW

The Legacy Wall serves as a focal point to celebrate the community's Stellar Stories, including incorporation of the "chalkboard wall" interactive public art piece.

The Legacy Wall also provides donor recognition opportunities, historic interpretive panels and an engaging water feature.
